## MISSION

Within a safe and secure environment, we seek to equip our pupils for the world of today and tomorrow, to foster self-esteem and respect for others, to widen horizons and to give them the means to reach those horizons and beyond.

## VISION

Our vision is to become role model for teaching and learning.

तपोमयो ज्ञानमयो विजन्मा, विद्यामयो योगमयो परात्मा।  
चित्ते धृतो नो तपसि स्थितेन, वृथागतं तस्य नरस्य जीवितम्।

तपोमय, ज्ञानमय, जन्मरहित, विद्यामय, योगमय  
परमात्मा को अध्ययनात्मक तपस्या में लीन होकर जिसने चित्त में धारण नहीं किया, उसका जीवन व्यर्थ ही गया।

Education is simply the soul of the society as it passes from one generation to another.

# FROM THE CHAIRMAN'S DESK

We are proud to be led by.....

Sri Skand Singh Bhadauria  
(Chairman - Rapid Global School)

Years ago, I dreamt of an institution which could provide education to youth who are nation builders. The RGS is the medium of sharing the feelings of me and my team including teachers as well as students. I think students are the pivot of our activities. So without them, no one can imagine anything. And I believe in Swami Vivekananda Theory :

उठो, जागो, रुको मत, जब तक लक्ष्य प्राप्त न हो। नींव जितनी मजबूत होती है, उस पर बनने वाली इमारत भी उतनी ही मजबूत एवं लम्बी उम्र की होती है। जिन पेड़ों की जड़ें गहरी होती हैं उनका जीवन भी लम्बा होता है तथा अधिक समय तक फल एवं छाया प्रदान करते हैं। आज बच्चों की भी नींव मजबूत करने का समय है। प्रारम्भ से बच्चा शुद्ध बोले, सुन्दर लिखे, जो उसमें गुण हैं उनको विकसित होने का पूरा अवसर मिले, सही सोच के लोगों में रहे तथा उनसे जीवन के मूल्य व्यवहारिक रूप से ग्रहण करे, यह अति आवश्यक है। विद्यालय का उद्देश्य केवल अक्षरज्ञान देना ही नहीं बल्कि जीवन का समग्र विकास करना है। इसलिए यह आधार बनाने के लिए आवश्यक है कि आप वह स्कूल चुनें जो इसको सम्भव बनाता हो। रैपिड ग्लोबल स्कूल इस प्रकार की शिक्षा के लिए प्रतिबद्ध है।

We are committed to  
can be creative  
the overall

create a creating of motivational learners who  
and innovative. We are emphasizing on  
development of children that  
help them to shine in every  
sphere of life. We believe that  
every child can excel and  
maximum opportunities should  
be provided to ensure the  
steady growth of talents. We are  
providing students the climate  
to be scientific and analytical.  
We are trying at our level best to  
make our students a real work  
force which can push India  
into an era of dynamism with  
advanced technology.

## FROM THE DIRECTOR'S DESK

Sri Anupam Singh  
(Executive Director - Rapid Global School)

**R**apid Global School takes pride in its excellent infrastructure, which has been suitably planned to accommodate learning and all-round development of the child. The school provides a full range of facilities to help the children adjust happily and feel like home.

At Rapid Global School, our commitment to quality is evidenced by - highly qualified teachers, accurate student-teacher ratio, clean, modern and aesthetically designed furniture and well-equipped facilities. We help children to develop qualities that will make them secure and independent as they grow self-confidence, enthusiasm for learning, social skills, wholesome attitude, self-discipline, and an organized approach to problem solving. In a short period we have earned an enviable reputation.

At Rapid Global School, your child will receive an excellent education, meet other young people around this country and from other nations and grow as a self-reliant human being ready for college years and beyond. Let us show you and your family what Rapid Global School can do for your child and you.

The best way, however, to become acquainted with Rapid Global School is to come for a visit. We would like to talk to you in person and you can see what a beautiful campus and friendly students and teachers we have! Visitors always praise about the ambient congenial atmosphere at Rapid Global School, and we would like you to experience that at first hand.

We hope you enjoy visiting our community and will take the time to investigate what our campus has to show you. It will give you a glimpse of our school, our students and the programmes we offer. We will be more than happy to answer any question that you might have, through e-mail or telephonic conversations. It is our personal goal to see that at Rapid Global School your child succeeds, and has fun as well. Please contact us if you have any questions about forming a bond with us!

We welcome your application and look forward to getting any questions you may have about your child attending the Rapid Global School.

## FROM THE EDUCATION DIRECTOR'S DESK

Deepti Kamal Rathore  
(Education Director, RGS)

**R**apid Global School is a beautiful outcome of the sincere efforts we've reaped in London. Education is the only thing in the world which cannot be stolen away from you. It plays an integral part in making the person you wish to become. Grades and marks don't determine the success of a person's life, it is the knowledge and the depth of a person that makes him/her being. Life is a journey filled with adventures so enjoy the adventure and make the best of every opportunity given. A person who dreams is a person who lives. Don't be afraid to pursue your dreams but always remember that dreams only come true when you are true to your responsibilities and know your priorities.

The most important thing in life is to become a good human being at first. Love, live, dream and spread your fragrance in the world. Our vision is to produce conscientious smart & confident citizens of India who will go out into the world and make us proud. The main aim to establish RGS is to develop quality education, an impressive centre for learning where children can receive a balanced education in a kindred environment. Keeping the contemporary global and national scenario in mind and knowing the fact that Indian children have tremendous talents and potential, we are committed to nurturing and cultivating the creative citizens of the world.

Our Motto ..... "From darkness, lead me to light"

## OUR AIM & COMMITMENT

**T**he school provides ample opportunities for all-round development of the children. Vast opportunities are provided to excel in their chosen field of endeavor and interest i.e., speech, art, games, dance and other co-scholastic activities.

We are committed to creating a cadre of motivated learners who can be creative and innovative. People are awakening and realizing the need for a positive change in society. We believe that every child can excel and maximum opportunities are provided to ensure the steady growth of talents and all-round development of the personality. We are trying best at our level with the best infrastructure, to provide the highest quality of education by the team of highly qualified, trained and dedicated staff with advanced technology in Bidhuna. We uphold a saying from the Gita "Education helps us to understand, "Who am I" !"

# SCHOOL ORGANISATION

All students on entry to the school are allocated to one of the competitive houses named after holy rivers the Brahmaputra, the Ganges, the Narmada and the Yamuna. These houses compete for points against each other across a variety of academic, cultural and sports disciplines. CCTV cameras have been installed to have a vigil on different activities in classrooms and vulnerable areas.

# CAMPUS

It is a marvelous piece of architecture and is placed in the lap of nature far from the hustle and bustle of the city. The lush green area provides an ecological and artistic surroundings. The impressive infrastructure is a landmark, standing majestically against the skyline.

Rapid Global School is located in a sprawling 3 acres of Lush green area and 1 acre for teacher's residence and future student's hostel amidst a peaceful eco-friendly environment. It is a co-educational English Medium School catering to the global needs with classes from Play Group to XII. The school comprises the State of Art infrastructure with three storey building with airy spacious class rooms.

The Ground floor comprises the Administrative blocks i.e. the offices of the Executive Director, the Educational Officer, the Principal and the Accounts. It also has the conference hall, Chemistry, Bio and Computer labs, Library, MI room, Nursery wing and a few sections of XI & XII class, infirmary room and guest room.

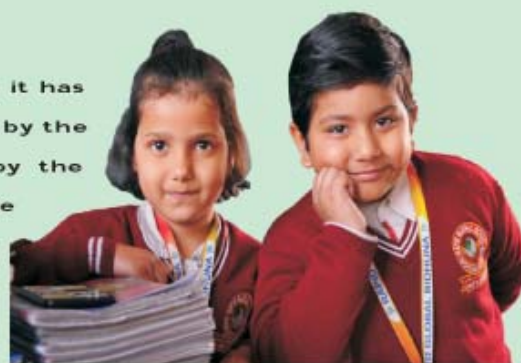

The First-Floor houses co-ordinator's office, the vice-principal's chamber, a few sections from primary to senior secondary classes, one staff room, Maths and Physics labs and the second floor houses auditorium, a few sections of 4th, 9th and 10th class and all the sections from 5th to 8th class and two staff rooms and a co-ordinator's office.

The sylvan surroundings of 3 acres of land boast well planned and structured building and vast playground, spread over with well-manicured gardens. The building is built according to norms. For sports, there is a big and beautiful playground catering to the various disciplines of outdoor games such as Cricket, Handball, Basketball, Volleyball, Football and Athletics, indoor games like Table Tennis, Chess, Carrom etc.

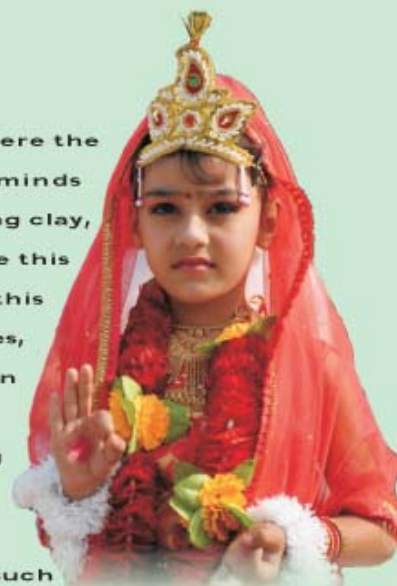

# SYLLABUS

Since the school is affiliated to the CBSE, Delhi, it has adopted the syllabus and curriculum approved by the CBSE on the pattern and guidelines given by the NCERT. The medium of instruction is English. The teaching is intensive and in a wider spectrum giving total exposure to deep knowledge and understanding with inquisitiveness for advancement. Computer training has been made compulsory up to class X. Class XI & XII as the cynosure since students are to appear for various competitive exams.

# NURSERY WING

Rapid Global School prides on its Nursery classes, where the youngest, the most innocent and the most delicate minds and bodies are nurtured. Children are like moulding clay, whatever falls on them creates an impression. We at RGS take this responsibility of ours very seriously and ensures that even at this tender age, the child learns discipline, manners basic etiquettes, hygiene, colours, numbers, alphabets, rhymes and introduction to reading and writing etc. Everything is taught playfully through playing methods. We adopt the method of learning by doing. A weekly menu is planned for the children, ensuring proper physical and mental growth of the child. An activity room is well equipped with various Board games such as (Chutes & Ladders snakes & Ladders, Chess, Scrabble etc.), coloured moulding clay, puzzles and many more toys helping a naturally curious mind to develop and draw inferences.

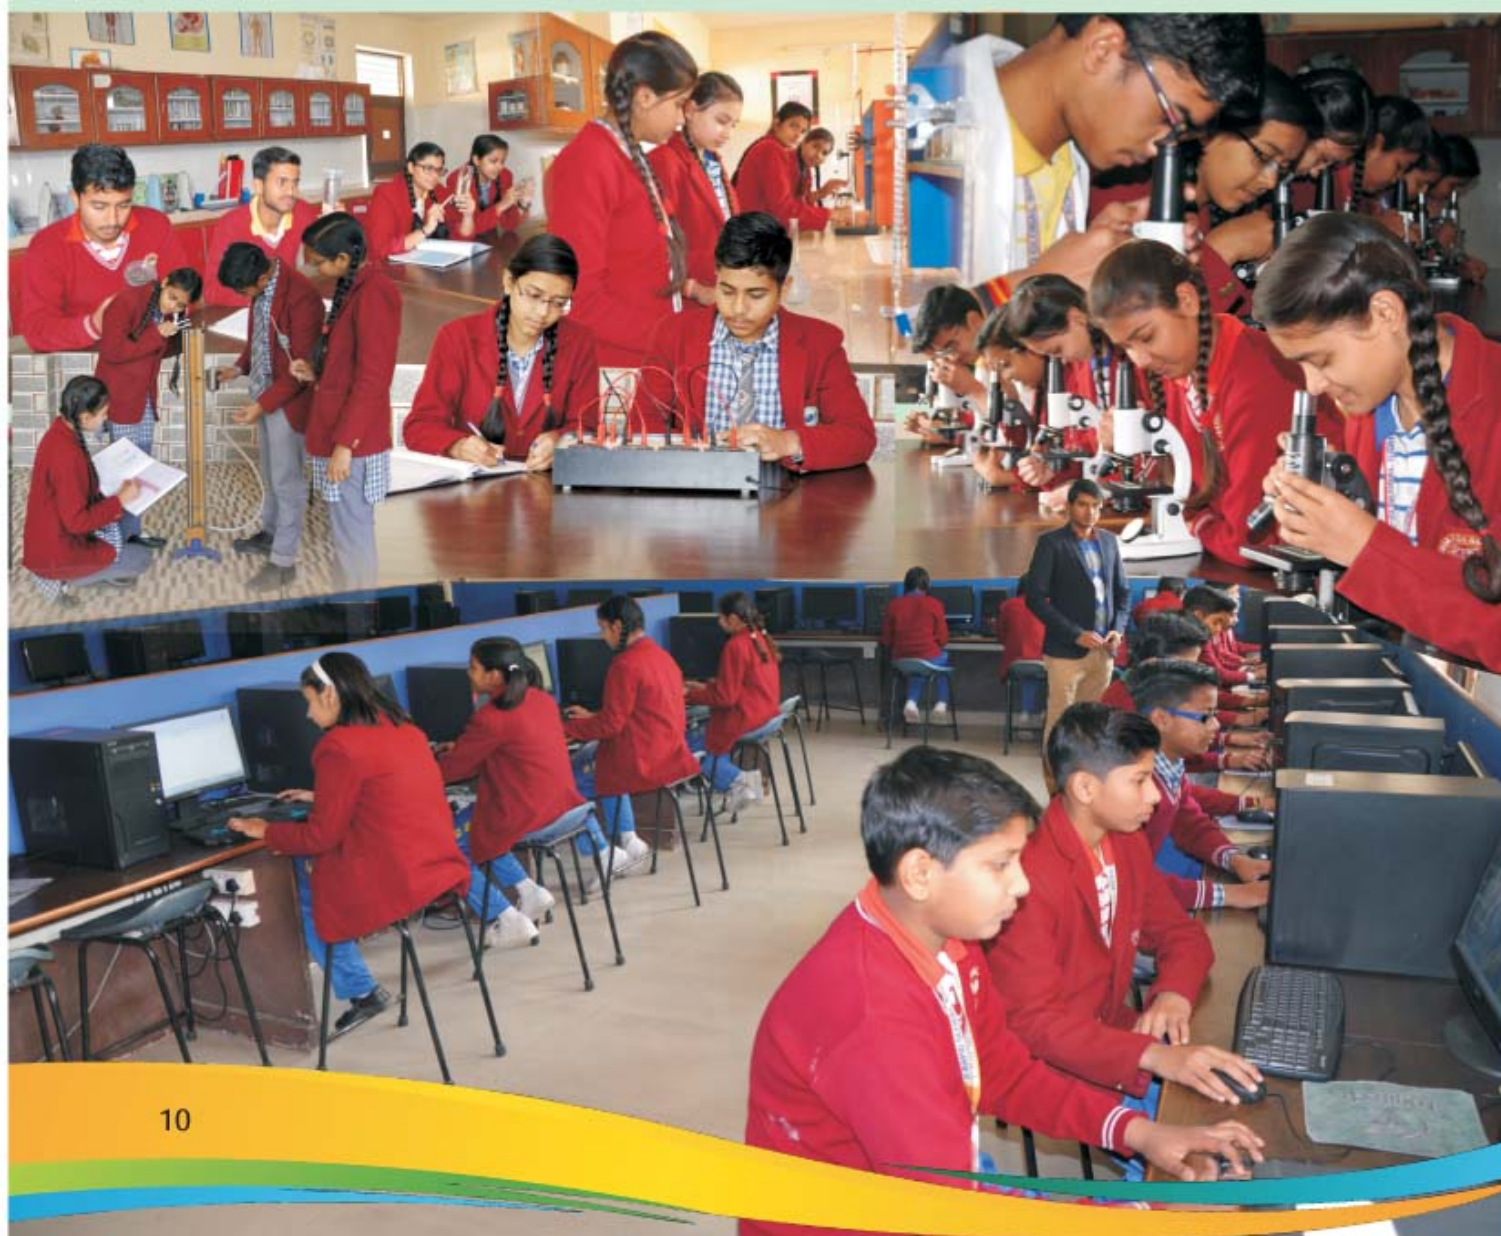

# LABORATORIES & COMPUTER LAB

**W**ith computer education growing to be an essential part of modern day living, it has become the priority of the school to make students and teachers computer savvy.

Rapid Global School has well-equipped labs in different disciplines to provide indepth knowledge to the students-Science labs for Physics, Chemistry, Biology, Maths. All the labs are well furnished according to the CBSE norms where all the queries are answered to the satisfaction of the child. We have a big computer lab consisting of at least 40 computers of the latest generation.

# LIBRARY

"Books are the best companion of the taught"

The library is the soul of any educational institution. The school has a well equipped library with at least 5,000 books on different subjects which are of significance to the students and the faculty as well. Different reference books on different subjects help the students to prepare projects on various topics. The library keeps the students updated with the current events taking place all over the world, newspapers and the periodicals are made available to the students and the faculty.

I read...I lead programme is an active reading program operational for our Rapadians. It provides a wonderful incentive for our students to develop literary skills ability to read with expression. For students of class I, our core idea is of getting hands-on library experience and mastering basic reading skills. For classes II - VIII, students select books from the suggested list of books (as per their age and reading interest) and maintain a reading record.

# GAMES & SPORTS

Games and sports are important part of an educational institution and essential for all round development of a child. The school provides opportunities for physical activity to the students of all ages, and train the students in different skills.

Games, sports and other co-curricular activities are an essential component of the school time table. Outdoor games as Cricket, Hockey, Basketball, Volleyball, Football, Kho-kho, Roller skating, Handball, Badminton etc. and indoor games as Table Tennis, Chess and carrom etc. are available to the students of all categories under the

guidance of an expert physical trainer and experts in different sports. Inter-house and Inter class tournaments find an important place in the school calendar.

# Music Mania Club

## (Indian and Western)

This club aims at exploration into the history of music, famous artists and their genres, learning instrumental/vocal music in its diversity, creating music and presenting it.

We begin with the morning assembly. All the morning hymns and songs go with music. Apart from assembly, music is included in the school time table, well versed talented the music teachers teach instrumental and vocal.

## AUDITORIUM

# EXTRA CURRICULAR ACTIVITIES

**T**hroughout the year various activities are organized by the teachers. Sometimes special teachers or coaches visit the school to upskill some of the essential activities.

It is our firm belief that every child is gifted with creativity, though in varying degrees. To harness such creative traits and tap the talent of an early age, RGS offers its students a variety of extra curricular activities. Vocal and instrumental music, dance art and craft and SUPW are an integral part of the education system in the school till Xth. The school has managed to hone and create exceptional talents in all these fields.

# EXCURSION

(Going beyond the four walls of class room)

**S**tudents visit places of educational interest (Industrial visit, Historical places etc). The excursions are of educational significance to the students.

# PARENT TEACHER MEETING (PTM)

PARTNERING WITH PARENTS

**P**arents are always welcomed to school, and the staff feels happy to share thoughts and feelings about the way their children are developing. The school encourages parents to take part directly or indirectly in everyday school life. Parents' support and involvement enhance the learning process and their satisfaction is our motto.

The formal meeting of teachers and parents takes place after every month (Unit Test, Half Yearly and Session Ending Exams), offering the opportunity to discuss the child's progress and future targets.

Under the aegis of Rapid Foundation of Education RGS launched the programme for parent - school partnership in an effort to foster a stronger relationship between the school and the home, focusing on the child as the loci of both the parents as well as the school regular basis parents are provided with guidance on sensitive issues like - how to study during exams, happy kids, happy you, good eating habits. 'Weekend with parents' for classes PG - II, focuses on parents spending productive time with their children. Segment on this activity carries a fascinating fact.
